

MOTOCROSS TRACK “FERMO-MONTEROSATO”

- Soil is a mixture of loam and sand very nice with intermediate conditions;

- the start followed by a quite fast parabolic right turn;

- the waves 2-2-1 after the the parabolic turn;

- long straight that ends with a big table-top jump of the finish-line;

- after a quite long downhill there are waves (3-2) on the climb;

- the drop-off followed by a steep downhill;

- than a table-top jump in the middle of the turn;

- up-hill triple jump;

- down-hill waves;

- central big triple-jump;

- series of turns followed by a long up-hill straight that ends with a double-jump;

- after a right-bowl turn here is a downhill double-jump ;

- after three turns here is a funny table-top;

- after a hard braking this tract is made of a long double and a triple;

- than a left bowl turn with a serie of 2-2 waves.
